WELCOME TO ENS RENNES

The École normale supérieure de Rennes trains students in the fields of Economics – Law - Management, Computer Science and Telecommunications, Mathematics, Mechatronics and Sport Sciences and Physical Education. Each year, around 400 students follow Master’s Degree programmes jointly accredited with the Université de Rennes 1 and the Université Rennes 2. Over 90% of its students pass the Agrégation examination and 70 % continue their studies by completing a PhD.

ENS RENNES IS:

- a highly selective graduate school for top ranking students.
- a high-level scientific and cultural training preparing for careers in: fundamental or applied scientific research; university teaching and secondary education; positions in State and local authorities and State public establishments or enterprises.
- constantly developing new partnerships - formal and informal - with HEI’s worldwide.

As an international student there are different admission tracks available to you:

International students may apply to follow a post-graduate Masters and a full or joint PhD Degree under the framework of a specific scholarship programme: the Fulbright-ENS Excellence Award / the Campus France Bourse Eiffel, the Agence Universitaire de la Francophonie, PROSFER, China Scholarship Council etc... International students

Exchange students on study mobility or on research placement mobility under specific programmes such as : Erasmus+ / IISER / ECNU / Exchange programme students

If you wish to apply outside of a specific agreement/partnership programme please contact the target department or the research laboratory to get more information on admission tracks available to you. Please note that the selection process is highly competitive.
