

THE DEPARTMENT OF ECONOMICS - LAW - MANAGEMENT

The Economics - Law - Management Department of the *École Normale Supérieure de Rennes* offers multidisciplinary training that is unique in France in these fields, as well as an intensive preparation for the Economics – Management Agrégation exams with "Human Resources" and "Marketing" options. It also provides training for university-level academic careers, the research professions and executive public service positions (general administration, economic and financial branches).

Date of update May 9, 2017
