

Scholarship programs for incoming students 2022/2023 (depending on the country of origin)

(attention: dates and links are subject to change)

Germany	Combined study and placement semesters abroad for students and masters students - DAAD	This program offers you the opportunity to gain international study and practice experience. The combination of a semester of study and a semester of practice allows you to gain an international qualification both academically and practically. The scholarship is awarded for a total duration of 7 months minimum to 12 months maximum. The duration of the scholarship depends on your project. The duration of the study semester (minimum 3 months) may vary depending on the host country. The duration and organization of the practical semester (minimum 2 months) depends on the study program of your institution in Germany. 	Starter-Kit Bayern-France	This financial aid is aimed at any student enrolled in a French or Bavarian university (or Grande Ecole) wishing to study or do a research placement in the partner country. The mobility grant consists of a fixed sum of € 500,-- independent of the duration of the stay and a flat-rate allowance for travel costs of up to € 450,-- (between the place of the home and the host university). It serves as a support to cover the additional costs before a mobility period and is always paid before departure.	https://www.bayern-france.org/fr/telechargements/index.html
Australia	Nicolas Baudin Programme	The Nicolas Baudin Student Mobility Programme's "Internships in France" initiative offers students from participating Australian universities research internships in France in collaboration with an industrial partner. The internship offers are co-designed by the French host institution and its partner company and, where appropriate, with the Australian partner university when the intern is part of a pre-existing scientific collaboration.	https://au.ambafrance.org/initiative-stages-en-France
Brazil	CALL FOR APPLICATIONS 2022 SCHOLARSHIPS FOR A SEMESTER OF MASTER 2 IN France	This scholarship is intended for a student of Brazilian nationality, planning to do a Master 2 in France, under 40 years old at the time of departure. It offers the financing of the beneficiary's stay in France, for a period of 6 months (from 09/01/2022 to 02/28/2023), but it will have to be ensured by a complementary financing of at least 390 euros per month.	https://ensrennes-my.sharepoint.com/personal/stagiaire_ri_ens-rennes_fr1/Documents/Documents/01_Projet/Appel%20Candidatures%20-FR%20Master%202%20-%20bourses%202022%20(rev.%20OGJ)5).pdf
India	CEFIPRA	Le CEFIPRA permet de financer une thèse ou un post-doctorat dans le cadre des projets CEFIPRA menés par des chercheurs français et indiens dans des laboratoires en France et en Inde.	http://www.cefipra.org/
	RAMAN-CHARPAK	This programme implemented by the Indo-French Centre for the Promotion of Advanced Research (IFCPAR/ CEFIPRA) aims at improving the doctoral skills of Indian and French students by offering them the opportunity to carry out part of their research work in a university/research and development institute based in France or India respectively. This programme is now also open to French Masters students who wish to spend time in India as part of their course of study. It aims to enhance the master's skills of French students by offering them the opportunity to do an internship in a university / research institute based in India. The mobility lasts from 2 to 6 months.	http://www.cefipra.org/Raman_Charpak.aspx
Italy	VINCI	The objective of the Vinci call for projects is to promote the integration of the French and Italian higher education systems, contributing to the process of harmonisation of university education in Europe. The Vinci call for projects has 4 components: - support for Master's level university courses leading to a double or joint degree. - mobility in the framework of co-tutored theses. - the allocation of doctoral contracts for co-supervised theses, addressed to doctoral schools with a Franco-Italian co-supervised thesis project. - funding to support post-doctoral integration.	https://www.universite-franco-italienne.org/menu-principal/appels-a-projets/programme-vinci-programme-vinci-114350.kjsp?RH=1479466989360
Lebanon/ Syria	The scholarship programme Maa'kum for Lebanese students in France	Helping students settle in France, the Maa'kum programme is aimed at nearly 3,000 newcomer Lebanese students enrolled in French higher education institutions for the 2020/2021 academic year. This programme is in addition to the scholarship programme for particularly deserving students. See if the programme will be renewed for the year 2022-2023.	https://www.campusfrance.org/fr/le-programme-de-bourses-maa-kum-pour-les-etudiants-libanais-en-France
Norway	AURORA PROGRAMME	The objective of this programme is to develop scientific and technological exchanges of excellence between laboratories in the two countries, by encouraging new cooperation, the participation of young researchers and doctoral students and the development of cooperation in the European framework. All scientific fields are concerned by this programme, including the humanities and social sciences. Deadline: 21/09/2022	https://www.campusfrance.org/fr/aurora
Romania	CAMPUS France	For the year 2022-2023, a partnership with the French Embassy in Romania and Campus France will allow to co-finance 2 Ampère scholarships for students coming from Romania, out of the total of 20 scholarships awarded.	https://www.campusfrance.org/fr/recherche?text=Roumanie+
Russia	Ostrogadski scholarship	In the framework of its Ostrogadski programme for the mobility of young researchers, the French Embassy in the Russian Federation grants scholarships to students enrolled in a doctoral programme in Russia and invited by a French research team, attached to a higher education institution, a research organisation or a company, to carry out an apprenticeship or fieldwork stay for a period of 2 to 4 months. All scientific disciplines are concerned. The selection process for the 2022-2023 Ostrogadski Fellowship Programme is heavily impacted by the current international situation. Results are expected by the end of June.	https://ru.ambafrance.org/Bourse-Ostrogadski

	Scholarship Metchnikov	<p>Within the framework of its Metchnikov programme for the mobility of researchers, the French Embassy in the Russian Federation awards grants to Russian researchers invited to work in a French research team, attached to a higher education institution, a research organisation or a company, for a period of 1 to 3 months. All scientific disciplines are concerned.</p> <p>The selection process for the 2022-2023 Ostrogradski Fellowship Programme is heavily impacted by the current international situation. Results are expected by the end of June.</p>	<p>https://ru.ambafrance.org/Bourses-Metchnikov-sejours-scientifiques</p>
Turkey	Scholarships co-financed by the French Embassy in Turkey and the TEV Foundation	<p>TEV and the French Embassy offer scholarships for Master2 and, under certain conditions, for the first year of Master1 in France (the duration of the scholarship is 10 months and cannot be renewed). The language of instruction is French and English (preferably C1 level and at least B2 level) and the duration of the Master's programme is 1 year in French public universities. Applicants who will study in English must have a certain level of French. Applicants who do not know French can take French courses in French cultural centres before going abroad (the courses are not free of charge and the costs are to be paid by the applicants).</p>	<p>https://www.turquie.campusfrance.org/fr/bourses-cofinancees-par-l-ambassade-de-france-en-turquie-et-la-fondation-tev</p>
